Brown Wins St. Augustine Amateur

By LOU DUBOIS
Record Correspondent

Coming back home really paid off for University of North Florida sophomore and Nease graduate Tyler Brown.

Brown shot a 2-over-par 72 Sunday and held off a late push by runner-up Jim Renner, winning the First Annual St. Augustine Amateur tournament at the St. John's County Golf Course.

Brown, a sophomore at UNF, finished the tournament with a 1-under-par 209, and never relinquished the lead he gained on Friday afternoon.

"It's always nice to play well," Brown said.

"But it means more winning back at home. They did a nice job putting this tournament together, and I'm just glad I played good enough to win."

Brown, an All-County selection while with the Panthers, was two shots up on Renner after 17 holes Sunday, before both golfers hit their drives on the 18th into an environmentally protected area. Both were forced to take a one-shot penalty and a drop parallel to the ball's point of entry into the woods.

Renner bogeyed the hole, while Brown tapped in from a few inches for a double-bogey and the win.

"I didn't get off to the best of starts," Renner, a junior at Johnson & Wales University in Miami said. "He played real solid, and he just finished strong."

Renner finished second with an even-par 210, while Robert Parker finished third with a 3-over 213.

Dudley Payne and Anders Ekdahl, co-captains on the Flagler College men's golf team, tied for the low round Sunday with a 67.

Pablo Ceron, a golfer from the University of South Florida in Tampa, had the only hole-in-one of the tournament on the par-3, 218 yard 5th hole Sunday.

The tournament, comprised of mainly college golfers, had a total of 84 participants. All profits from the event benefited the St. John's County chapter of the First Tee program.
